

STUDENT APPLICATION: OUTDOOR ED-VENTURE

June 20–25, 2005

Name: _____
Parent/Guardian Name: _____
Home Address: _____
Phone (day) _____ (evening) _____
Birth Date: _____ Grade 2004/2005: _____ E-mail: _____
Sponsor Science Teacher: _____
School Name and Phone Number: _____

This section must be completed by the student.

Answer the following questions on a separate sheet of paper.
Submissions should be handwritten.

1. What science course(s) have you had/are you taking?
2. What do you like best about science?
3. List your interests other than science (clubs, hobbies, sports, music, drama).
4. What do you think you could contribute to the group during the Ed-venture?
5. Please type or neatly print a one page, double-spaced essay explaining why you would like to be involved in the Summer Outdoor Ed-venture program.

We, _____ (student) and _____ (parent/guardian) understand the time commitment for the Girls in Science Outdoor Ed-venture program and will make every effort to participate if selected for the program.

Application due March 18, 2005.

o Scholarship Request

To request a scholarship, parents or guardians should include a letter explaining their financial need in a sealed envelope with the student's application. Please indicate if a full or partial scholarship is requested.

SIXTH-GRADE SCIENCE TEACHER RECOMMENDATION: OUTDOOR ED-VENTURE

Student: _____
Science Teacher Name: _____ E-mail: _____
School Name and Phone Number: _____
Grade(s)/Subject(s) Taught: _____

Answer the following questions on a separate sheet of paper.

1. What opportunities have you had to interact with the student?
2. Why would you recommend the student for the Summer Outdoor Ed-venture?
3. How would you describe this student's behavior in a group situation?
4. Please rate the applicant in the following categories using a whole point system from 1 to 5, 5 being the highest or strongest rating.
___ Ability to work in a group ___ Maturity ___ Creativity ___ General recommendation of this applicant
5. Next fall, would you be willing to have this student return to one of your sixth-grade classes and teach a 20-30 minute hands-on science activity developed at the Summer Outdoor Ed-venture?

Please complete recommendation and return to student in sealed envelope.
