Dueling Dinosaurs Celebrations

April 19 – 25

The Dueling Dinosaurs are a Cretaceous cold case —
the best-preserved tyrannosaur and *Triceratops* in the world,
buried in a potential predator-prey encounter.

Join the **North Carolina Museum of Natural Sciences** in
celebrating the completion of our state-of-the-art SECU DinoLab
and paleontology experience, new home of the Dueling Dinosaurs.

Support the Museum's education and outreach work with your sponsorship of our Dueling Dinosaurs Opening Celebrations:

FRIDAY, APRIL 19 • DUELING DINOSAURS GALA (Attendance 600+)

Enjoy complimentary tickets to our celebration of the epoch featuring specialty paleo-inspired cocktails, heavy hors d'oeuvres from our carnivore and herbivore stations, dancing and roaming entertainment, while you unleash your inner-child with behind-the-scenes tours and hands-on-science experiences. Plus enjoy access to our Sponsors-Only VIP Lounge featuring elevated desserts, a full bar, and special access to world-renowned paleontologist Dr. Lindsay Zanno. (Gala-only tickets go on sale to the public in early 2024. Non-Members \$250 | Members \$200.)
